

Buzz about Eddie Price's *Widder's Landing*

A Historical Fiction Winner in the 2013 Readers' Favorite Book Awards

“Price’s vivid descriptions draw on all the senses and paint a vivid picture of a vivid time. The reader will come away not only with a book they will need to share and read again, but one that **will stand the test of time, and teach more history than one could understand any other way..**”

- [Readers' Favorite](#)

“Widder's Landing is a non-stop adventure. Love, war, earthquakes and outlaws -- Eddie Price navigates his characters through natural and human-made disasters with passion and aplomb.”

- Neil Chethik, Director of the Carnegie Institute

“Widder's Landing is a banquet of first-person Kentucky history served up with plenty of first-rate adventure. More history than fiction; a total immersion in real life Kentucky.

Readers will hope this first novel won't be Eddie Price's last.”

- Virginia G. Carter, Executive Director, Kentucky Humanities Council, Inc.

“Price’s **writing is clear, and his scenes chock-full of color and reality from war and death, to birth and love-making.** “Widder’s Landing” is highly recommended to history buffs and to anyone who likes a great story.”

- Mary Popham, Special to the Courier-Journal
